

**Package 1: Grammar-and-Editing Suite**

Price: \$599

- Better Grammar for Lawyers: Part One
- Better Grammar for Lawyers: Part Two
- Better Punctuation for Lawyers
- Legal Usage for the Virtuoso Legal Writer

*Grammar-and-Editing Suite:* Grammar, punctuation, and word usage are the fundamental skills to building a strong document, whether it's a memo, a brief, a patent application, a contract, or anything else. But here, Garner goes beyond the basics to the nuances that set expert writers apart from novices. Test your knowledge and hone your skills in this four-part series.

---

**Package 2: Lawyer-as-Editor Suite**

Price: \$549

- Better Brief-Writing in 60 Minutes
- The Garner Method for Better Legal Memos
- LawProse Editing Method for Motions and Contracts
- The Writing Process Self-Paced

*Lawyer-as-Editor Suite:* In creating documents, lawyers should possess the skills to outline the substance, write a draft, and polish through effective editing. Have you ever had trouble getting over that first hurdle to start your memo that is due tomorrow? Have you struggled with editing a coworker's brief? Let Bryan Garner help you explore the difference techniques of writing and editing to create an efficient, systematic approach to every stage of your writing. You may find completely new approaches for projects, and you're sure to find ways to tweak your current methods.

---

**Package 3: Professional-Writer-in-Law Suite**

Price: \$489

- The Writing Process Self-Paced
- LawProse Editing Method for Motions and Contracts
- The Garner Method for Better Legal Memos

*Professional-Writer-in-Law Suite:* How many memos, briefs, motions, and letters do you produce every year? The written word is the fundamental and most effective tool in your arsenal. Sure, some

---

people are satisfied with writing “adequately” and don’t strive to be fully effective in their written documents. But if you’re reading this then you’re obviously not satisfied with just being adequate or mediocre. Take this three-part series and let Bryan Garner move you through three quick hours to inspire you and teach you how to take your writing process and technique to the next level.

---

#### **Package 4: Legal-Writing Nuts-and-Bolts Suite**

Price: **\$599**

- Legal-Writing Skills Test Self-Paced
- Legal Usage for the Virtuoso Legal Writer
- Better Grammar for Lawyers: Part One
- Better Punctuation for Lawyers

*Legal-Writing Nuts-and-Bolts Suite:* Do you shake your head when you find grammatical errors in opposing counsel’s briefs? Do you secretly take pleasure in seeing misspellings? Of course you hope that you don’t make these mistakes because you know that judges notice them. They see the mistakes that spellcheck can’t — in grammar, punctuation, and word usage. Fortify your writing with the polish that graces the written works of great legal advocates. Legal-writing excellence doesn’t bloom in one day. But it does begin with taking the basic and necessary steps to using the language effectively and cleanly to give your writing the professionalism that judges and clients expect.

---
